Off the Table.

The Case for HR 676

Expanded and Improved Medicare for All.

In Canada, unions do not bargain for healthcare. Healthcare is **Off the Table**. When Canadian workers go on strike, or are locked out, they don't lose their health coverage.

Hear **US** and **Canadian** rank and file workers, leading officials from the **USW** and **UE** and doctors from Physicians for a National Health Program (PNHP) explain how Canadian style Medicare is able to cover everyone in the US without co-pays, deductibles or premiums.

Just 23 minutes long, this video helps U.S. unionists understand how HR 676, the "Expanded and Improved Medicare for All Act" would cover everyone for healthcare and take healthcare **Off the Table** in the U.S.
